

Powerwash RF

Resin Flux Cleaner

Unique, blended solvent cleaning agent that removes most types of flux residues without damaging the adhesive mounting strip or screen surface.

KEY PROPERTIES

- Removes oil and grease
- Does not damage the adhesive mounting strip or screen surface
- Has a high Flash Point and low toxicity
- Has a mild odour
- Dries rapidly and residue free, maintaining short wash cycle

SAFE HANDLING AND STORAGE

Store in original containers and avoid extremes of temperature.

For guidance on handling and disposal see **Material Safety Data Sheet.**
